Fall 2020

Holiday Greetings

This year has brought many changes and challenges for every one of us.

We all have experienced the unfortunate cancellation of social gatherings and events large and small. On the chopping block for us has been our spring session of riding, summer evening riding classes, food truck night fundraisers in June and September, and sadly, our annual Christmas Open House leading up to the holidays this year.

We will miss the smiles and company of our visitors, the warm cider, the harmonies that *Waterloo County Carolers* bring to our gathering each year, and of course the jolly Mr. & Mrs. Claus.

We are thinking of you all and wish to share our gratitude for the holiday donations many of you have made to Pride Stables recently!

We look forward to the new year with optimism and hope to see you all again at the barn when the time is right!

Are you wondering what to give someone special on your list this year?

Consider gifts made to Pride Stables in their honour! You can even send digital card directly from the donation page to notify them of your gift. It couldn't be easier! Some suggestions:

- ◆ \$25.00 will buy five bales of hay to fill the loft
- ◆ \$40.00 will feed our friends in the pony field for a day
- ◆ \$60.00 will buy 3 bags of grain for our horses
- ◆ Just over a dollar a day (\$35/mo) for a year will sponsor a rider

Camp Pride 2020

Day camp this past summer is one that will not soon be forgotten! While camp ran in July & August at a reduced capacity, it didn't stop us from having a safe, successful, FUN summer!

Hats off to our volunteers (many of them brand new!) who stepped up to the plate and diligently followed the new protocols we had in place to keep everyone safe. This summer was one for the books!

"The boys still talk about camp. I think it's safe to say we'll be repeat campers! Thank you so much to the team at Pride Stables for everything you did. It was so well organized, everyone was enthusiastic and so patient with our boys. Tate said that riding a horse made him feel strong and powerful. Cameron said it was just so much fun, lol! Caleb felt like a leader. They had a blast!"

Birthday Donation

Birthday boy & rider Mason was excited to collect Canadian Tire money and other donations for his favourite pony Kenny and friends at the stables.

Thank you for thinking of us as you celebrated your 9th birthday Mason!

COVID didn't stop folks from enjoying a socially-distanced day on the green in support of Pride Stables which brought in \$18,075!

We tip our hat in thanks to all the golfers, donors, and sponsors of Deer Ridge Golf Club's annual charity golf tournament. We are grateful for your continued support!

Holiday Blooms Fall Fundraiser

Pride Stables embraced the digital world and went fully online with our fundraiser this fall! It was a great success and we hope you found it as smooth as we did!

In conjunction with holiday donations made via this new online platform, the sale of poinsettias, cyclamen & amaryllis plants brought in over \$2,000!

Thank you for your support and for spreading the word to your friends, neighbours & colleagues!

Dear Trouble,
I see you sleeping a lot. Maybe that makes you an expert. What can you tell me about horses and sleep?

Dear Reader,
Have you noticed me curled up in my new cozy bed? I spend about two thirds of my day sleeping, just like other cats out there.

Most humans sleep for a single long stretch – about 8 hours or so – each day.

Adult horses on the other hand are a different story spending only about 3 hours in a day sleeping.

Roughly 5 to 7 hours of a horse's day is spent resting, but actual sleep usually happens for them after the clock strikes 12 when it is nice & dark – long past my bedtime!

Staying in Touch

You may have noticed the newest section on our website: **Staying in Touch**. This has been created stay connected and engaged with YOU during these challenging times.

It has been a tough year and we have missed interacting with you all as we normally would! Keep checking back on this page (and on Facebook too)! You will find fun posts and activities like colouring pages, horse quizzes, snapshots of our equine friends in the fields, and video updates.

Funding for the GoPro camera and our *Staying in Touch* initiative is supported by the Youth in Recreation Fund - Ontario Endowment for Children and Youth in Recreation Fund and the Lisa Schurter Memorial Fund held at Kitchener Waterloo Community Foundation.

Student Reflections

As a Conestoga College Recreation and Leisure student, I had an awesome and unique opportunity here at Pride Stables!

Working with horses is not something I envisioned for placement but I could not be more happy with it and it gives me a new opportunity that I enjoyed.

The horses are very friendly & easy to work with. The staff, volunteers and participants at the stables were all terrific and treated me like an equal rather than just a student. I wish all the best to everyone at Pride Stables! - Will

Test your Pride Stables knowledge:

(Answers on back page)

1. What else do we call the horse field?
2. What is another name we use when referring to the "back field"?
3. Which horse sports her very own "sunglasses" to protect her eyes?
4. Who is the smallest paint-coloured friend in our fields?

Volunteer Voice

Pride Stables has been in my life for a little over three years. I learned of this place from a friend so I gave volunteering a shot and loved it!

As an individual with a disability I know how much independence and freedom means to our community. I believe Pride Stables gives each rider this opportunity. The supportive network that's built amongst teachers, volunteers, riders, and parents/caregivers, who all want each other to succeed, is one of the most welcoming environments I've ever been a part of. This fall I worked with a large spectrum of lovely people and riders. Whether we shared an in-depth conversation or lots of smiles, it never failed to make my day.

I've accomplished things that, as a teen, I never would have dreamed I'd be able to do like handling large animals, and it's the encouragement from everyone each week that made me feel safe enough to try. I'm now looking into lessons and more equine activities as I've found a passion for it and it started here. I look forward to being involved at Pride Stables in the future! - Sarah

Quintin picking up poinsettias

I have been volunteering at Pride Stables for a few years. We've been neighbours of the stables for over 17 years & I have fond memories of pushing my son in his stroller to come see the horses. Once he could, he attended Camp Pride every summer and then volunteered. I found myself drawn here by my love of animals, the memories with my son, and my desire to give something to my community. I have made some great connections while volunteering which has helped fulfill my life and gives me a sense of purpose.

I really enjoy connecting with the horses - Woody in particular has a special place in my heart. I see the animals connect with each rider, the joy this brings into their lives, and how success is recognised in many different ways by each rider attending the program. After class, returning the horses to the fields in wet weather is a fun task. Make sure your boots are well connected to your feet or the mud sucks your boot off!

Thanks to Pride for providing the opportunity to connect volunteers & riders with so many varied needs & capabilities, and for the wonderful work Pride does every day to help individuals in our community live better lives. - Quintin

New tractor coming our way!

We are very excited to share the news that a new tractor will soon be under our roof!

Thanks to an incredible grant from the Shantz Mennonite Church, we will be able to purchase a new tractor to help us around the property. This will allow us to maintain and improve our facility for riders and horses alike. Keep your eye out for the new wheels in our field!

VOLUNTEER TRAINING & WINTER SESSION

With our region in the red zone as of late November, we have cancelled volunteer training sessions planned for December. The status of our winter riding session is also on hold for now. We will re-asses as needed and schedule training dates in the new year for volunteers if we are able to run our winter session.

Did you know some employers offer a grant/donation program when you volunteer?

How these programs are run differs between companies, but typically you simply track and submit your hours. Once you reach a certain threshold and your hours are verified, then Pride Stables would receive a donation from your company to honour your volunteer time with us!

Does your employer offer this benefit!? Ask them today!
