Spring 2021

- \$20.00 will buy four bales of hay to fill the loft
- \$40.00 will feed our friends in the pony field for a day
- \$60.00 will buy three bags of grain for our horses
- \$120.00 will purchase one safety helmet for our riders

Head to www.pridestables.com then click "How To Donate" in the menu

Through a Rider's Eyes

Liam is 9 yrs old & has been riding at Pride since he was 4. Liam was diagnosed with Wolf-Hirschhorn Syndrome as a young infant & faces challenges like muscle hypotonia plus physical & cognitive delays. He is a very social, happy child who thrives around people & loves all animals.

Liam beams with joy at the stables & always receives a warm welcome from staff & volunteers. He especially loves watching all the funny things the horses do - like sneezing & farting after brief trots (Liam thinks this is so funny!), talking his side walkers' ears off & learning everyone's names.

In addition to having lots of fun, Liam strengthens his core stability & gains independence through riding. A special treat at the end of each riding season & summer camp is giving the horses treats or getting to paint them. Liam absolutely loves this!

Liam has made special friends at Pride & continues to learn it is okay to be different. Although Liam is different than typical devel-

oping children in some ways, his needs are very much the same: supportive people to teach & guide him; an environment where he is accepted for who he is; a place where he never feels judged, and space to learn & grow. We are grateful to have found Pride Stables!

Thank You for Your Support!

Former Sunday chores gal here at the stables, Kaitlin, surprised us earlier this year with a cheque for \$1,000 from her employer **Ayr's Farmer's Mutual.** Thank you for choosing us to receive your employer's "employee choice" donation Kaitlin!

Pictured: Rachel along with Rainbow Black accept the cheque from Kaitlin

We are grateful to the **Optimist Club of Cambridge** for their support over the years & sad to hear they disbanded. Thank you for your final donation this spring! This \$4,000 will ensure the club's legacy endures through 2 years of stall sponsorship

and supporting 5 riders for one year.

Pictured: Doug Coghlin presented the club's final cheque to Leah in March

Our friends at **Sail Outdoors & Waterloo County Revolvers Association** ran a Covid-safe tournament with proceeds generously donated to Pride Stables. We thank you for this incredible donation of over \$4,000. Thank you for selecting us as the beneficiary! We are happy to have you as a horse sponsor once again!

Welcome Back Jen and Hello Jaxon!

We are happy to welcome Jen back to the barn this spring! Jen returned from maternity leave in April starting with a few days each week. She will transition back to her

full-time role over the months ahead while also tackling full-time mom status to her adorable son Jaxon. Jaxon joined furbrother Bear early last summer growing Jen's family to four. We hope you enjoy this snapshot of the little guy!

Co-op Corner

My placement at Pride was everything I could have hoped for. The new skills, information & knowledge I gained were exceptional. When I received the news about where I would be placed I was so excited! I didn't have much luck with previous placements due to Covid but this one made my last semester great.

Going in I was pretty nervous as I didn't want to make a fool of myself. With the help of Courtney & Rachel I became comfortable with every task I was assigned. I loved building relationships with the horses & getting to know each one. I am so glad they taught me everything from first aid & feeding processes, to horse handling. I am thankful to everyone who helped my success this semester. I can't wait to keep in touch & see the staff & horses again soon! ~ *Emily*

Syrup Fundraiser

Thank you for helping us raise \$1,766 to keep us afloat dur-

ing these cancellations & closures with your maple syrup purchases & spring donations! We hope you are enjoying your sweets!

Volunteer Voice Hands

Our horses are fortunate to be the recipients of periodic gentle therapies from one of our longtime volunteers. Sharry is an equine bodyworker who is certified as an animal Reiki practitioner and has also completed a number of levels of the Equi-Bow Technique & Tellington TTouch courses.

Equi-Bow consists of hands-on manipulation - gentle pressure and stretching of the fascial soft tissue in the body. It is inspired by various techniques used on humans which can as- under Sharry's gentle touch sist with stimulation, circula-

Pictured: Chopper relaxes

tion, and pain relief, and is a "unique blend of Bowen, CranioSacral, Myofascial Release, and Feldenkrais based techniques that promote self-healing." Sharry shares her skills with our lucky horses to help maintain the health & wellbeing of our beloved equine friends.

A long-time volunteer of Pride Stables has created a GoFundMe in an effort to help keep us going through these challenging times. The power and magic of crowdfunding happens when a campaign reaches far and wide.

What can you do to help?

Simply share the link below to spread the word beyond our existing amazing community of supporters!

Sponsor-A-Rider

Our rider fund allows us to financially assist as many riders as possible so they can participate in the rapeutic riding With a commitment of \$35 per month, your donation gives a child an opportunity to join us for a full year and reap the benefits of interacting with others, playing games, challenging themselves and having fun in a group environment-all while receiving stimulating therapy.

\$420 (\$35/month) allows a rider to receive these benefits for one full year. Email or call us to get started today! 519-653-4686 info@pridestables.com

<u>Trouble's Tidbits</u>

Dear Trouble,

Sometimes I see a couple of horses in the field rolling around on the ground. What is this all about and why do they do that?

Dear Reader,

Rolling is a natural behaviour for horses & they roll about for any number of reasons!

First, it can help loosen their hair & shed their coat. (The hair is flying at this time of year!)

Horses also roll to let go of physical or mental tension but also just for pleasure! Horses will roll when they feel relaxed and safe.

You know how yawning is "contagious" from one person to another? Well rolling can be the same for horses – that's why you'll often see one horse roll after another!

Trouble

Horse Happenings

Triplets! Well, not really....

But three of our horses share a birth year!

Black Velvet, Tempi and Awesome are all turning 20 this year. Do you know someone celebrating their 20th in 2021 too?

Pride Stables Trivia

- 1. If she was a person, which horse could volunteer starting this year? *Hint*: First uncover the minimum age for volunteers.
- 2. If he was a person living with our southern neighbours in the USA, which pony might have some empty beer cans to bring to our bottle drive after celebrating his 21st birthday this year?

3. Who is the youngest gal in our fields? *Hint*: She's also the tiniest!

4. Who is pictured rollin' around above?!
